

USE THESE HELPFUL TIPS

1. Download the form to your device.

Before you start filling in the fields below, download the file.

2. Keep it editable

This form will be sent to ACSC and back to you, it's nice to not have to recreate it. For now, enter your name, save it, close it and reopen it. With luck, your name will be there and you can still edit it. You may need to use "save as" or if you are using your phone, send it to Books or something similar. We have tested it several ways and had success using Adobe Reader, which is available in your phone's App Store or for free here: <https://get.adobe.com/reader/>

3. Fill in your info

Don't Sign at this time. This should help keep it editable.

4. Send to ACSC as an attachment

Send an email to Bookkeeper@SailAlameda.org with your file attached, not as a linked file.

5. ACSC Bookkeeper verifies space

Our bookkeeper will email your first invoice and your updated PDF form back to you for your final approval.

6. Finalized Form sent for signature.

At this time, review the information, sign and return to the bookkeeper. As soon as you have paid the bill, you are all set and we will arrange a time and date for you to bring your boat to the facility.

7. Go Sailing!
