

## **2025 Cancellation and Refund Policy**

We reserve the right to cancel or modify any activity due to inclement weather, insufficient participation, or other conditions beyond our control. In the event that Alameda Community Sailing Center cancels an activity, all fees collected are fully refundable or transferable.

Should any participant cancel a registration of the participant's own volition, the following guidelines are applicable. Refunds will not be given outside these guidelines. These policies are necessary for Alameda Community Sailing Center to ensure proper student/instructor ratios and programs of the highest quality:

1. A refund or transfers/account credits will not be given within seven (7) days prior to the program starting date UNLESS for a medical reason. Non-medical refund requests more than seven days but less than twenty one (21) days prior to an activity will be assessed a 20% fee. Refund requests more than twenty one (21) days prior to an activity will be assessed a 3% fee.
2. With no additional fee, a camp/course tuition or session payment may only be transferred to a different camp/session one time. A refund will not be made after a transfer of funds has been completed.
